Where an application for poor person relief is made, payment of the fee for filing the request for judicial intervention accompanying the application shall be required only upon denial of the application. A request for judicial intervention must be submitted, in duplicate, on a form authorized by the Chief Administrator of the Courts, with proof of service on the other parties to the action (but proof of service is not required where the application is ex parte).

(b) A request for judicial intervention shall be filed, without fee, for any application to a court not filed in an action or proceeding, as well as for a petition for the sale or finance of religious/not-for-profit property, an application for change of name or change of sex

designation, a habeas corpus proceeding where the movant is institutionalized, an application under CPLR 3102(e) for court assistance in obtaining disclosure in an action pending in another state, a retention proceeding authorized by article 9 of the Mental Hygiene Law, a proceeding authorized by article 10 of the Mental Hygiene Law, an appeal to a county court of a civil case brought in a court of limited jurisdiction, an application to vacate a judgement on account of bankruptcy, a motion for an order authorizing emergency surgery, or within the City of New York, an uncontested action for a judgment for annulment, divorce or separation commenced pursuant to article 9, 10 or 11 of the Domestic Relations Law, and an application for an extreme risk protection order.

(c) In the counties within the City of New York, when a request for judicial intervention is filed, the clerk shall require submission of a copy of the receipt of purchase of the index number provided by the county clerk, or a written statement of the county clerk that an index number was purchased in the action.
