Index No.: 723071/2025

AFFIRMATION OF
MATTHEW E. KELLER
IN SUPPORT OF ORDER
TO SHOW CAUSE WITH
TEMPORARY
RESTRAINING ORDER

Matthew E. Keller affirms, under penalty of perjury pursuant to N.Y.

C.P.L.R. § 2106, the following:

1. I am Plaintiff in this case.
2. I am fully competent to make this affirmation and I have personal knowledge of the facts stated in this affirmation.
3. In compliance with 22 NYCRR 202.8-e, notice has been given for this request for a temporary restraining order as it has been served alongside the commencing documents.
4. It is respectfully submitted that, given that the deadline to enroll in the voluntary healthcare plan is September 18, 2025, by that date the damage due to adverse selection as a result of the extremely high premium will have been done, and the plan will likely no longer be viable next year and will no longer be offered. This will cause Plaintiff severe and irreparable harm if an

Order is not issued immediately staying and restraining the defendants from continuing their discrimination between resident and non-resident students.

5. No prior application for the relief requested herein and or for similar relief has been made.
